Spalding Capital Letters

Spalding Capital Letters
Round Capital Letters

Rules: All capital letters are tall. Round capital letters start at 2 on the clock and go up.

The cross on the Q starts at the top and slants in the direction in which we write.

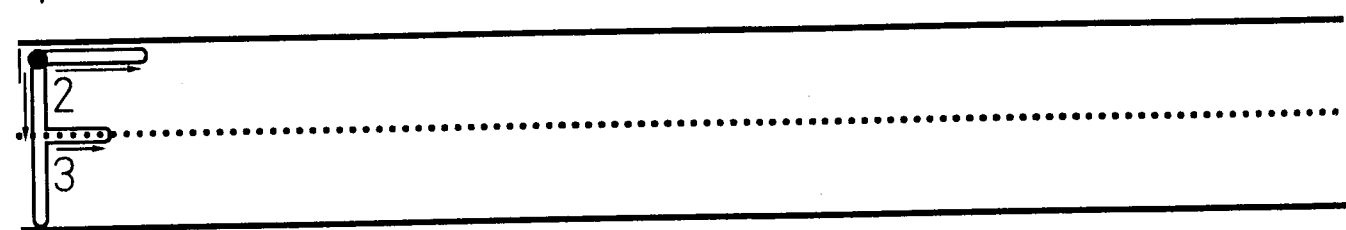

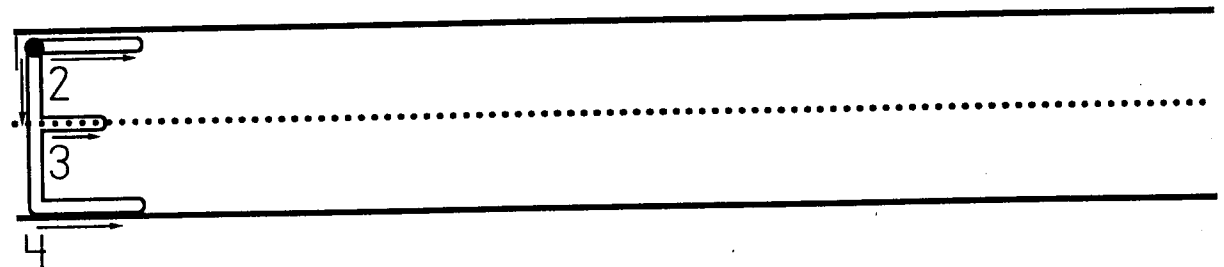

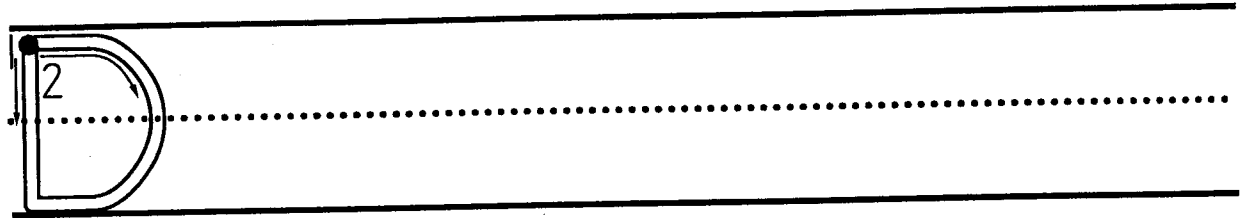

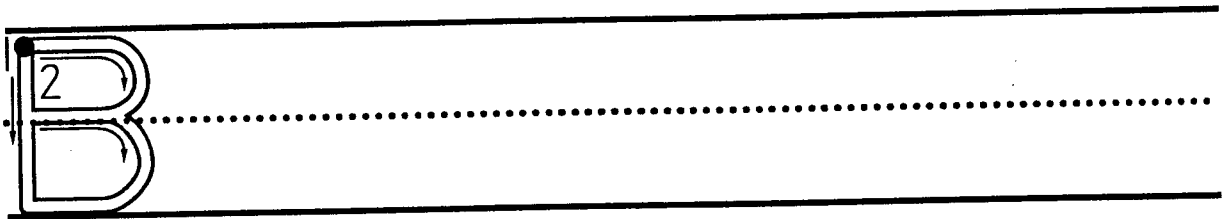

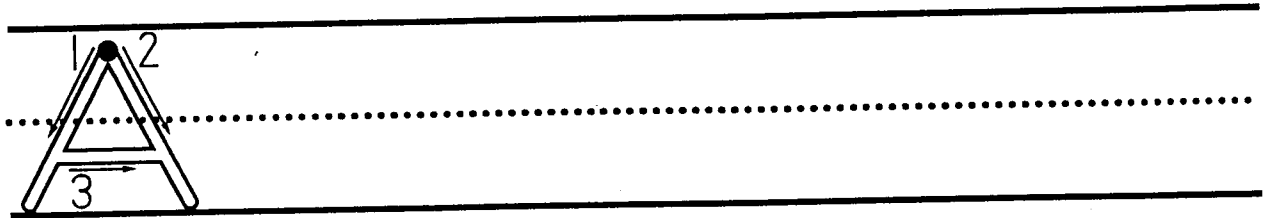

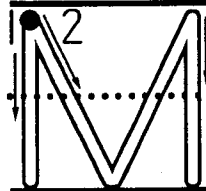

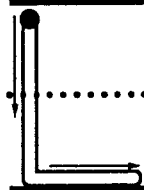

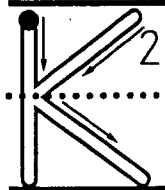

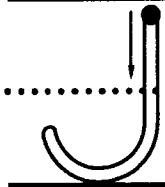

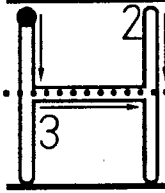

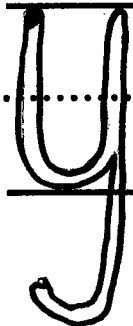

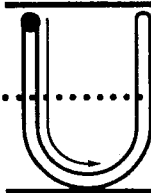

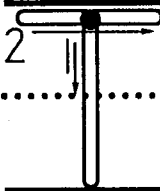

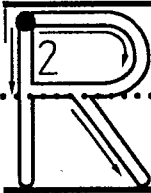

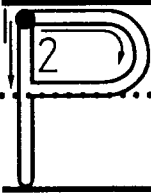

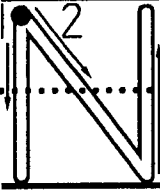

Spalding Capital Letters

Capital Letters that Begin with Vertical Lines

Rules: All capital letters are tall. Make the vertical line first, starting at the top. The horizontal lines of A, E, F, H, I, T are made in the direction in which we write. Where there is more than one horizontal line, make the top one first. The pencil is lifted before making the second lines of A, B, D, E, F, H, I, J, M, N, P, R, T, and they also begin at the top.

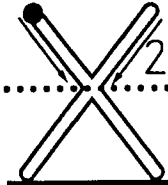

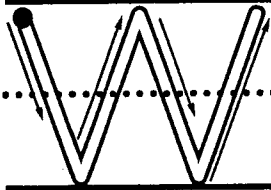

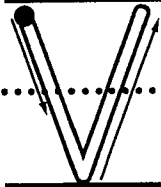

Spalding Capital Letters

Capital Letters that Begin with Slanted Vertical Lines

Rules: All capital letters are tall. The capital letters V, W and X are made just like their lower-case letters. First make the line which slants in the direction in which we write, starting at the top. V and W are made without lifting the pencil. The second line of X starts at the top. Y is the only capital which is finished below the base line

Spalding Capital Letters

Z is formed the same as its lower-case letter. The top line is drawn in the direction in which we write and it is finished without taking the pencil off the paper.
